<input type="checkbox"/> labeling	Axis Labeling	0.3
<input type="checkbox"/> magrittr	A Forward-Pipe Operator for	1.5

Console

has an insecure (non-HTTPS) URL. The repository was likely specified in .Rprofile or Rprofile.site so if you wish to change it you may need to edit one of those files. You should either switch to a repository that supports HTTPS or change your RStudio options to not require HTTPS downloads.

To learn more and/or disable this warning message see the "Use secure download method for HTTP" option in Tools -> Global Options -> Packages.
